# **Aseem Raj Baranwal**

Final year CSE undergraduate, IIT Jodhpur Email: <u>ug201210005@iitj.ac.in</u>

LinkedIn: <u>linkedin.com/in/aseemraj</u> Web: <u>aseemraj.github.io</u>

#### Skills

Programming languages Python, C, C++, JavaScript, PHP

Tools and Frameworks AJAX, jQuery, LAMP, WebSockets, Python-Django, Node.js, Octave

Database systems MySQL, MongoDB Version control Git, Mercurial

### **Achievements**

April 2015 National **team rank 22** in InCTF (Qualified for finals)

March 2015 National **team rank 19** in Microsoft India CTF (Build The Shield).

Dec 2014 Qualified for **ACM ICPC Asia Regionals** at IIITM Gwalior.

March 2014 National **team rank 15** in Microsoft India CTF (Hackcon).

Dec 2013 Qualified for **ACM ICPC Asia Regionals** at IIT Kharagpur.

Competitive Coding Active on <u>codeforces</u> (rating: **1923**) and <u>codechef</u>.

## **Projects and Experience**

Summer Internship Built a lab tool for easy management of virtual machines used for various purposes across the developer teams.	May - July 2015 Microsoft India R&D
MIT Media Lab Created a web application for students where they can post one line feeds and stay aware of technical activities happening around them.	January 2015 Guide: Juliana Nazaré
Research Project Devised a linear time algorithm for computing a minimum distance total k-dominating set in interval graphs.	May - June 2014 Guide: Dr. Dinabandhu
Train Traffic Simulator Built on Python-Tkinter, implemented a self designed algorithm to schedule the arrival and departure of trains on the available platforms. Link	Sept 2014 Guide: Dr. Gaurav Harit
Code Judge Developed the web UI for a code judge in python-django to fetch user submissions and deliver results and leaderboard. Link	May 2014
Other side projects and open source contributions at github.com/aseemraj	

### **Other Activities**

- Occasional blogger, writing mostly about competitive coding at thefermion.
- Participant at JS Conference 2012 at IHC New Delhi.
- Attended KDE Conference 2013 at DA-IICT Gandhinagar.
- Coordinator, Programming Club IIT Jodhpur for the year 2013-2014.
